

Health & Social Care

Level 2 Diploma in Health and Social Care (Adults) for England (QCF)

This qualification is ideal for anyone aged 16+ working in the adult social care sector in England. It can be taken as a stand-alone qualification and also forms the competency component of the Intermediate Apprenticeship for Health and Social Care. Subjects covered include principles of communication, personal development, diversity, equality and inclusion, safeguarding, implementing a duty of care, understanding the role of the social care worker, understanding person-centred approaches, health and safety and how to handle information in social care settings. The Level 2 Diploma in Health and Social Care (Adults) for England (QCF) is accredited by Ofqual and supported by Skills for Care and Development.

How long will it take me to achieve this qualification?

This qualification requires 317-396 guided learning hours.

How is the qualification assessed?

This qualification is assessed through the completion of a portfolio of evidence, which is compiled during the course and demonstrates that the learner has achieved the required assessment criteria.

What next?

Individuals achieving this qualification can progress on to the Level 3 Diploma in Health and Social Care (Adults) for England (QCF), Level 3 Diploma for Residential Childcare (England) (QCF) or the Level 4 Diploma in Adult Care (England) (QCF).
