

Health & Safety

Level 3 Award in Health and Safety within the Workplace (RQF)

This qualification is ideal for anyone in a supervisory, team leader or managerial role. Subjects covered include understanding the requirements for health, safety and welfare in the workplace, the benefits of using a safety management system, the principles of risk assessment, and understanding the risks and control methods for common workplace hazards.

How long will it take me to achieve this qualification?

This qualification is usually obtained by taking a 3-day classroom-based course. However, it can also be achieved through a variety of other methods including blended and distance learning, as long as the recommended learning hours are completed.

How is the qualification assessed?

This qualification is assessed by a 60-question multiple-choice examination lasting 2-hours.

What next?

Learners successfully achieving this qualification may wish to progress to:

- Level 3 Award in Risk Assessment (QCF)
- Level 4 Award in Health and Safety in the Workplace (QCF).
